We believe that good behaviour is essential to allow all our pupils to achieve their full potential. Good behaviour promotes effective learning. No pupil will be allowed to behave in a manner which adversely affects the learning of others. We believe in a culture of inclusion, equal opportunities and respect for all members of our community and in the importance of self-discipline and self-esteem. Discrimination in any form is not tolerated.

We recognise that pupils with emotional or behavioural needs should receive support to achieve the expected standard of behaviour. We view as essential a system of rewards for good or improving behaviour and sanctions where standards fall below an expected level. These rewards and sanctions are applied consistently and fairly. Individual behaviour is monitored and parents or carers are kept informed.

The School has an effective and easily understood Behaviour Policy and a set of School Expectations which clearly explain the school's approach to behaviour for learning and conduct, and the schedule of rewards and sanctions.
