

Shared Human Experience.

I can identify and talk about a range of signs and symbols. I understand how our school logo reflects our school values.

Beliefs and Values.

I can recognise a variety of Christian symbols and match them to a belief. I can talk about the beliefs that are central to Christianity. I have an understanding why Christians believe that it is important to gather in a Church.

Living Religious Traditions.

I can match objects in a Church to their names. I can investigate Christian worship and understand the importance of prayer, reading from the bible, worship, sharing bread and wine. I know how the Church serves the local community.

Personal meaning.

I know which communities I am a part of. I can identify what events bring our community together? I can research what brings our school and community together.

Authentic outcome.

Children to work together to build their own church and present it to the rest of the class.
