Year 6 —RE Overview

Topic— God

Things to remember— How do Christians mark the 'turning points' on the journey of life?

This unit enables pupils to explore the church as a community of believers and to examine how rites of passage reflect their commitment and relationship with God. The focus is on 'is life like a journey' so through this unit students will analyse beliefs, teachings and values and how they are linked by exploring the key sacraments in a Christian's life. They should consider different dominations reflecting upon the importance of child baptism, confirmation and adult baptism. This can then be developed by students demonstrating a self-awareness of their own personal development by considering their own life journey and the changes they will make as they progress through life. Pupils should be able to apply their understanding of the Christian concept of God from previous years. They should be able to make meaningful links with Christian beliefs about God as 'Father', a God who became incarnate in order to teach and save, a God who is both transcendent and personal.
